

*Louise Diane*

There are plenty of opportunities for people of all ages, shapes and ethnic backgrounds in the world of modeling. Agencies are constantly searching for all kinds of people. All you have to do is have your picture in their hands at the right time. And that's where we come in. We can easily and affordably put you on the road to starting your own career in the modeling industry. All you need is the desire and the proper guidance. Someone once said that enthusiasm could conquer the world. Together we can help you fulfill your dreams.

# What we can do for you...

Based on my 35 years of experience in the modeling and entertainment industry, I will guide you step-by-step to help you launch your career as a model. This process is simple, easy, affordable, and FUN!

1. We will have a one on one consultation to get you started.
2. No need to search for a photographer, we have an experienced professional, in the field of modeling.
3. Help you with your selection of wardrobe.
4. Supply a professional makeup artist if needed.
5. Find a location for your photo shoot.
6. Show you how to assume picture perfect poses.
7. Develop film and help you choose your photos.
8. Design, create, and print your own personal composite.
9. Guide you to a professional agency that suits you best.
10. We will offer you ongoing consultation, because there is no telling where a wisely guided modeling career might lead you. And its never too early or too late to begin!

.....WELCOME TO THE WORLD OF MODELING.....
